

# Elgin Eagle Athletics

## Game Day Reminders

- All students attending an athletic event must be accompanied by a parent, guardian, or responsible adult. We also request that those students remain with that parent, guardian, or responsible adult throughout the entirety of the game. There is no child care or school supervision provided for athletic games.
- Students found unsupervised on the playground or in the hallways will be directed back to the gym and/or field area.
- Athletes not actively participating in the current game being played are to remain with their parent, guardian, or responsible adult. (For example if only the A team is playing then B & C players may attend the game as long as they are with a parent, guardian, or responsible adult).
- Parking:
  - Do not block any traffic lanes, entrance/exit gates, or other vehicles.
  - There is no parking along the east fence, this is a fire lane.
  - If parking outside the fence, along Elgin Rd, do not block driveway or obstruct view of vehicles entering/exiting the parking lot.
  - After 3:15 PM, vehicles may park along the parent drop-off/pick-up curb.
- Pets – pets are not allowed on campus.
