

Elgin Eagle Athletics

TEAM REMINDERS

- Practices – Any siblings attending practices need to remain under the supervision of their parent, guardian, or other responsible adult that is not one of the coaches. (Coaches children not playing on the team must remain with the coach.)
 - Basketball siblings – The PE equipment on the stage may be played with as long as children are supervised and the equipment is put away after.
 - Softball siblings will need to remain outside with their parent/guardian.
- HOME GAMES – Athletes not actively participating in the current game being played are to remain with their parent, guardian, or responsible adult.
 - For example if only the A team is playing then B & C players may attend the game as long as they are with a parent, guardian, or responsible adult.
 - If basketball is playing a game and softball has practice (or vice-versa) athletes can attend the games when practices are over as long as they are with a parent, guardian, or responsible adult.
- AWAY GAMES – Only those athletes on teams listed to play will be traveling with the team. If the remaining athletes wish to attend the away game then they will need to be taken by a parent, guardian, or responsible adult.
