Message from Mrs. Faley

We are excited to be welcoming our Elgin School Families back to school for the 2022-23 school year! At the end of the 2021-22 school year, there were 127 students enrolled. This year we are projecting an enrollment of 142 students. In addition, two new teachers will be joining us this year: Kim Crawford (K) and Kat Greacen (5th). Since our teaching positions are fully staffed for the 2022-23, Anna Coleman will be returning to her position as the Art Teacher (K-8). You'll also notice that Regina Padilla is in the front office serving as the Business Office Assistant.

Toward the end of last year, Elgin School received a grant to hire a Registered Nurse to serve as our School Nurse. While we are very fortunate to have had Annette Koweek serve as our School Nurse for many years, she is also an outstanding, full-time middle school science teacher. If we hire a registered nurse, Mrs. Koweek won't be leaving us. She'll just be able to focus more of her time on teaching science, which is her preference. If you know of an RN, who may be interested in serving as our school nurse, please encourage them to reach out to us.

The Elgin School Staff highly value the support of our families and of the community. We simply couldn't do what we do without your support. If you aren't as involved as you'd like to be, please consider one of the following opportunities:

1. Substitute Teacher or Para-professional – these are on-call, paid positions. Contact Heidi Gonzales for more information.
2. Coach / Assistant Coach – Contact Terrell Harper, Athletic Director.
3. Parent – Teacher Club (PTC) – Our PTC conducts fund-raisers throughout the year, then uses those funds to support those “extras” for our students that make their experience at Elgin so special. You can be a member of the PTC or simply volunteer for special events. Contact Callie Mattus.
4. Site-Based Council (SBC) – This group is composed of parents, community members, and staff. The group serves as an advisory board for the Superintendent/Principal. Contact Melissa Paul for an application.
5. Library Volunteer – Assist the librarian with keeping the collection organized. Contact Caitlyn Coleman.
6. Classroom Volunteer – Please reach out to your child's teacher if you wish to assist in the classroom.
7. General Volunteers – If you know of someone who would like to volunteer, but doesn't have a student attending Elgin School, please contact Melissa Paul for a Volunteer Information.

If you have a special skill or talent that is not listed above, please let me know and I'd be happy to talk to you about sharing it with our students.

Eagle Athletics

If your student plans on participating in any sports programs this year, a current physical is required as well as a current Athletic Guidelines packet. Forms can be found in the office or on the website at <https://www.elgink12.com/Athletics> Sign-ups for fall sports will take place when school starts. Football and Volleyball practice will begin on Tuesday, August 9th.

If you are interested in coaching or have any questions regarding athletics, please contact Coach Harper at धारपर@elgink12.com.

Childfind Screenings

If you have concerns about your child's development from ages 3 to 21 years of age in these areas:

**VISION/HEARING * SPEECH/LANGUAGE * THINKING SKILLS
PHYSICAL DEVELOPMENT * BEHAVIOR *
NORMAL DEVELOPMENT**

Your school's CHILDFIND can help – with a free screening, and if needed, referral for diagnostic evaluation and/or early intervention programs (birth to three). If you have any concerns about your child's development, certain benefits are available through your local school district.

Screenings are available **by appointment**. To schedule your appointment or for more information please contact:

Christine Clouse– Student Services

Health Office

The office staff oversees the Health Office under the direction of the school nurse. The Health Office is located in the Main Office and provides services for health incidents and emergencies occurring during school hours. If you need urgent care or doctor services, please contact your family physician.

Your child should not be in school if he or she has a fever, rash of undetermined cause, vomiting or diarrhea, conjunctivitis (pink eye), chicken pox, impetigo, ringworm, or head lice unless they have been treated medically or are symptom free. A child who has vomited, has had diarrhea or a temperature of 100 F° or greater will be sent home. Additionally, your child should remain fever free for a period of 24 hours prior to returning to school **without taking fever reducing medications**.

Student emergency information is kept in the office. The information is used to contact parents or designated adults if an emergency arises. Most calls are made simply because the child is feeling ill and needs to be sent home.

**Parents should be aware of the importance of the emergency contacts and phone number section of the emergency information*

form. These are the people called in the event of an emergency when parents cannot be reached. It is imperative that the school office be informed of any changes in address, phone number, parent's employment, guardianship, and emergency numbers.

If your child needs to take prescription medication at school, it is necessary for the parent to sign a consent form. These forms are available in the Health Office.

**Prescription medication must be in the original, labeled container as prepared by a pharmacist and include: patient name, name of medication, dosage, and time to be given. Over-the-counter medications must be in the original packaging, with all directions, dosages, compound contents, and proportions clearly marked. A signed physician's statement indicating the necessity must accompany any request for administration of over-the-counter medicine. A parent or guardian must personally deliver medications to the health office.*

DO NOT SEND MEDICATIONS IN YOUR CHILD'S BACKPACK.

A parent must bring medications to the office and fill out the consent form.
