Farewell 8th Graders!

Good luck to our 8th grade students who promoted in a graduation ceremony on Wednesday, May 21st. Earlier that day we sent them off to celebrate their last Flag ceremony with a graduate parade where they were escorted by our Kindergarten graduates.

Fly High Eagles, Class of 2025!

Throughout the school year, Elgin students participated in a postcard exchange—and the results are now on display in our library! We collected 57 postcards from near and far, each one a little window into a different place.

Want to help grow our collection? This summer, bring back a postcard from your adventures—whether you're traveling across the country, exploring a nearby town, or enjoying a staycation right here in our hometown. Every postcard has a story, and we'd love to add yours to our display!

The Elgin Elementary students participated in their first Vocabulary Parade today. The students chose vocabulary words from their reading curriculum and brought them to life in the Art Room. Each child created their own visual depiction of the word and definition. The parade was watched by middle schoolers and Elgin staff, who enthusiastically cheered on the younger students.

After weeks of hard work, learning, planning, and dreaming—our 4th and 5th graders proudly built their own community! From schools to safety services, and even local businesses, they included everything a real town needs, with some extra fun, of course!

Take a stroll through "Country Gals Clothing," cool off at "The Great Owen's Water Park," visit the ranches and farms, catch a ride at the train station, or stop by the skating rink "Country Roll." Their creativity, teamwork, and understanding of what makes a community truly special is something we are so proud of!

Way to go, future city planners, entrepreneurs, and leaders!

Ms. Mattus' 2nd grade class has been learning music. And in just one short week, they have learned how to count, read, and play music. Here is their first song, Hot Cross Buns!

Elgin School
May 19 at 12:13 PM · 🌐

Ms. Lucy taught 1st grade how to make salsa by smashing fresh ingredients in a molcajete. It was delicious! 1st grade is learning how to read procedural text from our reading book, and our lesson includes a salsa recipe. We celebrated with music and dance!

2025-2026 Registration Information

GENERAL INFORMATION

Registration Updates:

Registration will be online via the ParentVUE portal. The online portal will open in **mid-June**. Emails will be sent to the email addresses on file with directions and reminders. Please update your ParentVUE information or contact Ms. Paul at mpaul@elgink12.com or (520) 455-5514, ext. 300 with that information. Registration will need to be completed by July 24th.

If you do not have an email address on file, please provide one to Ms. Paul prior to the end of the school year. **ALL** registrations will be required to be completed online. If you do not have access to a desktop computer, tablet, or smartphone, appointments will be available during the summer to utilize a school device for registration.

Withdrawing Students:

If your child will **not** be attending Elgin School for the 2025-26 school year, please notify the office so that an official withdrawal form can be completed. This form will be needed to register your child at their new school.

Change of Address/Proof of Residency:

If you have moved or will be moving to a new physical address **within** the Sonoita Elementary School District boundaries please include the new address on your registration form and submit **updated Proof of Residency documentation with your new physical address.**

If you are moving OUT of district boundaries, please contact the office to have a withdrawal form completed prior to your student's last day at Elgin School.

Immunizations-Sports Physicals:

Don't forget to have your child's immunizations updated this summer if needed. If you have a child in 5th-8th grades that will be participating in sports, an updated athletic physical must be submitted each year. Physical forms are located on our website or are available in the office.

Eagle Eye - Student of the Week

Recognizing elementary students who practice good character and citizenship

IS YOUR CHILD PROTECTED?

Vaccinate on time to protect your child from 16 serious diseases.

A man with a beard and a young girl are hugging. The man is wearing a green shirt and the girl is wearing a white shirt with small dots. They are both smiling and looking at each other. The background is a bright yellow wall.

Coronavirus/COVID (Co19) - Fever, cough, difficulty breathing, fatigue, new loss of taste/smell, vomiting or diarrhea.

Diphtheria (DTaP) - A severe throat infection that makes it very hard to swallow and breathe.

Haemophilus influenzae type b (Hib) - Joint, eye, ear and lung infections and meningitis which can lead to brain damage.

Hepatitis A (HepA) - Causes liver disease, loss of appetite, stomach pain, dark urine and jaundice (yellowing of skin and eyes).

Hepatitis B (HepB) - Causes liver infection that can lead to liver damage, liver cancer or liver failure.

Influenza (Flu) - High fever, cough, sore throat, and extreme fatigue, and body aches.

Measles (MMR) - High fever, pinkeye and cold-like symptoms followed by rash. It can lead to diarrhea, ear infection, pneumonia, blindness, brain damage and death.

Mumps (MMR) - Painful swelling of the cheeks and jaw, headache and fever. It can lead to hearing loss or brain inflammation.

Pertussis/Whooping Cough (DTaP) - A cough that keeps getting worse.
The strong coughing fits can cause breathing difficulties.

Pneumococcal Disease (PCV) - Pneumonia with cough and difficulty breathing; ear and sinus infections, fever, blood infection; and sometimes meningitis (infection of the lining around the brain and spinal cord).

Polio (IPV) - Can cause lifelong paralysis and deformity.

Respiratory Syncytial Virus (RSV) - Most common hospitalization for infants. Can cause severe infection in infants including inflammation of the lungs and pneumonia.

Rotavirus (RV) - Severe diarrhea, fever and vomiting leading to dehydration and hospitalization.

Rubella/German Measles (MMR) - Face rash that spreads to the whole body. A pregnant woman who gets rubella can lose her baby or have a baby with severe birth defects.

Tetanus /Lockjaw (DTaP) - Stiffness in neck, painful muscle spasms and breathing difficulties.

Varicella (Chicken Pox)(VAR) - Fever, tiredness and an itchy, blister-like rash. Infected blisters can cause serious illness.

Vaccine Facts:

Combination vaccines have two or more vaccines in one shot. This decreases the number of shots our children get. Comforting them while they get a shot helps those moments go by much faster, for you and your child.

Following the recommended schedule is the best way to help your child's immune system do its job.

If your child is behind on shots, they do not have to start over. Ask about the catch up schedule.

Disease protection that a mother passes onto her newborn baby will fade over time. Stay up to date on vaccines to help boost your child's own immune system to protect them from 16 diseases.

Talk to your healthcare provider, state or local public health department about what vaccines are best for your child and your whole family.

WELCOME ABOARD!

Rachel Lyman – 4th Grade & Speech Services

Returning to Elgin School is an absolute joy for me! My husband, Shane, and I have lived in the Elgin community for over 30 years and have raised four Elgin Eagle alumni. When not at work, I enjoy spending time with my family and being a part of our community.

I am thrilled to be returning to Elgin to teach our amazing 4th grade students and provide speech pathology support. Looking forward to amazing adventures as we learn and grow together. Fly high Eagles!

Childfind Screenings

If you have concerns about your child's development from ages 3 to 21 years of age in these areas:

**VISION/HEARING * SPEECH/LANGUAGE * THINKING SKILLS
PHYSICAL DEVELOPMENT * BEHAVIOR *
NORMAL DEVELOPMENT**

Your school's CHILDFIND can help – with a free screening, and if needed, referral for diagnostic evaluation and/or early intervention programs (birth to three). If you have any concerns about your child's development, certain benefits are available through your local school district.

Screenings are available **by appointment**. To schedule your appointment or for more information please contact:

Christine Clouse– Student Services
455-5514 cclouse@elgink12.com

Resources for Families

Cartwheel: Your Virtual Mental Health Care Provider

Your child deserves to thrive. Cartwheel is here to help.

What is Cartwheel?

- ✓ Virtual therapy with licensed clinicians - and no waitlists
- ✓ Monday-Friday, 8am-8pm; Saturday 8am-5pm
- ✓ Multiple languages
- ✓ 55-minute weekly sessions for 2-6 months on average
- ✓ We are a medical practice that bills your insurance. Families with Medicaid or no insurance have \$0 out-of-pocket costs.

95% of caregivers would recommend Cartwheel to a friend or neighbor

92% of students say they feel better after working with a Cartwheel clinician

Next steps:

- 1 With your consent, **school staff will refer** your child to Cartwheel.
- 2 Look out for a **text message from Cartwheel** (617-272-7439) with a "Get Started" link to provide availability and insurance details in our Welcome portal.
- 3 We provide you with a **cost estimate** and work together to **schedule your first session**.
- 4 Please **complete all intake forms** before the first session.
- 5 A parent/guardian **must be virtually present** for the first and last session.

Questions?

If you're interested in a referral to Cartwheel, speak with a member of your school counseling team. After you've been referred - you can email office@cartwheelcare.org or call/text us at (617) 272-7439.

Learn more:
www.cartwheel.org

Cartwheel services:

Virtual therapy makes it easier for students and families to speak with licensed clinicians. All of our services are offered both in-home and in-school. Sessions are private and confidential and can be joined via computer, tablet, or smartphone.

Direct referrals to:

- 1-1 evidence-based therapy (grades 3-12)
- 1-1 parent guidance (PreK-12)

Internal referrals to:

- Psych consultations & medication management
- Family therapy
- Intensive outpatient and partial hospitalization partners

Support services:

- Care coordination
- Webinars
- Referrals to other providers if needed

Treatment designed for students who struggle with:

- | | | | |
|------------------|---------------|-------------------------|------------------|
| • Anxiety | • Self-esteem | • School avoidance | • Family issues |
| • Stress | • Self-harm | • Motivation | • Trauma |
| • Depression | • Anger | • Executive functioning | • Sleep issues |
| • Loss and grief | • Sadness | • Social difficulties | • Technology use |
| • Identity | • Coping | • Relationships | • And more... |

How much does Cartwheel cost?

- Cartwheel is covered by most insurance plans.
- Standard co-pays and deductibles apply.
- Great out-of-plan options available.
- Families with Medicaid or no insurance have \$0 out-of-pocket costs.
- Before your first appointment, our Care Coordination team will provide a cost estimate so you know what costs to expect.

Questions?

If you're interested in a referral to Cartwheel, speak with a member of your school counseling team. After you've been referred - you can email office@cartwheelcare.org or call/text us at (617) 272-7439.

Learn more:
