Students will be allowed to use personal electronic devices in classrooms at specific times and locations as long as a signed permission form is on file. **The use of these electronic devices will be at the discretion of the teacher.** Students are not to use these devices for any other purpose or in any other location, unless directed or instructed to by the teacher. At all other times these devices should be powered OFF and stored in the student's backpack.

- You agree to act responsibly and with good behavior on any computer or communications system using Elgin School's wireless network services. The user agrees to follow all School rules for behavior and communications. **Access is a PRIVILEGE – not a right.**
- It is your responsibility to protect your privacy and you agree to abide by the generally accepted rules of "netiquette" and conduct yourself in a responsible, ethical, and polite manner while using any technology resource.

- You and your parents assume total responsibility for your device. Devices that are stolen or damaged are NOT the responsibility of Elgin School/Sonoita School District.
- Devices with cameras or other recording capabilities may not be activated or utilized at any time unless instructed by a teacher. Students are not allowed to take pictures or record video/audio of other students or school staff without permission of a teacher or administrator.
