Message from Mr. Erickson

I hope this letter finds you well. It is hard to believe that we are already 5 weeks into the new school year. I want to thank you for helping us start the school year so positively. The energy on campus is incredible, and it is clear that our Eagles are ready to soar to new heights.

September is Attendance Awareness Month, and I want to take a moment to highlight the importance of being present every day. Every day in school matters—students learn best when they are here consistently, on time, and ready to learn. Whenever possible, we ask that medical or personal appointments be scheduled on Fridays or during school breaks. This helps our students maximize their learning while still taking care of important needs. Of course, if your child is ill, please keep them home and notify the office.

This year, we have set a strong course together by adopting the theme of Row the Boat. Rowing the boat is about sacrifice, energy, and a positive attitude—each of us working together to move forward, even when challenges arise. I have already seen our students, staff, and families rowing together in the first weeks of school, and it has been inspiring to watch. We will be sharing more about the Row the Boat theme throughout the school year.

I am also excited to share that we are offering additional tutoring opportunities for our students. Tutoring will be available after school and on Fridays, giving students extra support to strengthen their skills and grow in confidence.

Together, as we row the boat, support regular attendance, and provide strong academic opportunities, I know we are headed for a fantastic year.

Thank you, as always, for your continued support and partnership. Feel free to reach out with any questions.
With appreciation,

Elgin School

School-to-Home Communication

Elgin School uses email as our primary communication.

- Please ensure any parent/guardian email addresses are current in ParentVUE during online registration and the “Mailings Allowed” box is checked.
- Any changes to email, phone numbers, or addresses after the online registration period can be communicated to Ms. Paul.

Emergency/Urgent communication:

- Messages will be sent via the Elgin School Remind App.
- Follow up information will be sent via regular email as well.

Classroom to Home communication:

- Teachers will utilize email and ParentVUE.
- Elementary teachers also utilize the Bloomz app.

ParentVUE app features:

- Submit absences in advance
- Communicate directly with teachers
- Check current grades
- School Calendar

Sign up for important updates from Elgin School.

Get information for **Elgin School** right on your phone—not on handouts.

Download the Remind app today!

A On your smartphone, get push notifications.

On your iPhone or Android phone, open your web browser and go to the following link:

Follow the instructions to sign up for Remind. You'll be prompted to download the mobile app.

In the Spotlight

3rd Grade – By Mrs. K. Newberry

We've had such an exciting quarter in 3rd grade! Here's a look at what we've been learning across subjects:

Science

We started by learning about clouds—how to identify them, predict storms, and estimate how long they might last. Coming up, we'll dive into the world of **sound waves**, experimenting with how sound travels at different distances. Students will be creating secret codes, making paper cup phones, and even mimicking sound waves through fun activities.

Social Studies

We explored why people form communities, why they are important, and how each of us can be a good community member. Students also studied Arizona's **state symbols** and showcased their learning by creating beautifully illustrated picture books. Looking ahead, we'll continue learning about Arizona, including the 5 C's: Cattle, Cotton, Citrus, Climate, and Copper.

Math

Our focus has been on multiplication strategies such as skip counting, repeated addition, arrays, and number lines. Now we are applying these skills to explore **area** and seeing how it connects to real-life situations.

ELA

We studied different characters in our stories and discussed the importance of being yourself. Up next, we will focus on **communication through letter writing**—learning how to use words thoughtfully and build strong relationships, even with people who are different from us.

Art

Students are creating Arizona-themed **cups and saucers**. Once they are glazed and finished, we'll celebrate with a classroom tea party using their handmade pottery. For the **County Fair**, 3rd grade will also be making **totem poles out of recycled materials**, each one representing the 5 C's of Arizona. This project combines art, culture, and sustainability in a creative way!

We are so proud of how hard our 3rd graders are working and can't wait to see their creativity shine in the upcoming projects!

8th Grade Marine Biology Club - By Ms. K. Ortiz

Nestled about 26 miles off the coast of Southern California, Catalina Island feels almost like another world. Each May, Elgin School's 8th Grade Marine Biology Club has the opportunity to attend a week-long educational camp on this beautiful island. Catalina Island Marine Institute (CIMI) provides students the chance to engage in confidence and team building activities, such as snorkeling, kayaking, rock-climbing, and tide-pooling, all while learning about the ocean and unique ecosystems of the island.

Catalina Island and the waters around it are home to numerous species of wildlife such as bison, fox, woodpeckers, blue whales, dolphins, sea lions, sunfish, and maybe the most notably, the Garibaldi, California's state marine fish, which is bright orange in color. While on the island, students are housed in ocean front cabins and provided delicious balanced meals by the camp's kitchen staff. All educational labs and activities are overseen by Camp Counselors and the 8th Grade sponsors.

Camp Counselors are typically collegiate level Marine Biology students seeking further education and research opportunities while employed at CIMI. Kailey was the Eagle's counselor in 2021-22 and shared her passion and knowledge of algae and kelp with Elgin students. Giant Kelp forests are found just off the coast of Catalina Island. Students snorkeled through, took samples, and even got to taste the kelp. Jules hosted the 2022-23 Elgin Eagles and shared her expertise of marine mammals. Jules has worked with dolphins, orcas, and other marine mammals in Aquarium (captivity) environments. During a kayaking trip students were able to observe a baby sea lion sunbathing on a rock while another adult sea lion swam nearby.

The 2025-26 8th Grade Marine Biology club will be hosting multiple fundraising opportunities including the Annual Walk-A-Thon, Krispy Kreme doughnut sales, and sports concessions to fund their CIMI trip in May 2026. It is the generous support of the community that has allowed the CIMI trip to occur for the past 17 years, with the exception of 2 years that the camp was closed due to COVID restrictions. Donations up to \$400 are eligible for Tax Credit.

Celebrate the beginning of the

THURSDAY, SEPTEMBER 4TH

Santa Cruz County Teacher of the Year Runner-Up Anna Coleman

Ms. Anna Schorr Coleman
Elgin School
Principal: Mr. Dan Erickson

Growth does not come from comfort. I encourage my students to push beyond their perceived limitations, reminding them that effort, perseverance, and a willingness to stretch beyond their comfort zones are the keys to deeper understanding and personal development. It is easy to remain stagnant but real growth-and the celebration of that growth-happens when we take risks and embrace challenges, both inside the classroom and in life.

Arizona Educational Foundation's Teacher of the Year, Top 10 Finalist Callie Mattus

Callie Mattus, a highly respected teacher at Elgin Elementary School in the Sonoita Elementary School District, has been named a semifinalist for the 2025 Arizona Teacher of the Year by the Arizona Education Foundation (AEF). She was selected as one of only ten educators statewide to be recognized with this honor.

Each year, the Arizona Teacher of the Year program honors exceptional educators who exemplify best practices in teaching, demonstrate outstanding leadership, and make a lasting impact on students, schools, and their communities. With over 60,000 public school teachers serving in more than 2,000 schools across Arizona, being named a semifinalist places Ms. Mattus in the top tier of educators statewide.

"Callie Mattus is the kind of teacher every student deserves," said Daniel Erickson, Superintendent/Principal of Sonoita Elementary School District. "She leads with purpose, inspires with passion, and consistently brings out the best in her students and colleagues. We are extremely blessed to have her on our team. She is a true example of excellence in teaching, teacher leadership, and 'rowing the boat' with heart and commitment every day."

While Ms. Mattus has chosen to step back from the statewide selection process at this time, the honor of being named a semifinalist stands as a powerful recognition of her tremendous contributions to education and to the students of our community.

Kinder Readiness - By Dr. Chris Clouse

Every Wednesday, Elgin Elementary School has Preschool Story Time for children who will enter Kindergarten in fall 2026. Preschool children come to the gym at 8:00 for the pledge and school cheer, then go to Room 14 for a story and activities. Join us to work on kindergarten readiness skills, get to know the campus, and make new friends! For more information, contact Christine Clouse at cclouse@elgink12.com or 520-455-5514 ext. 117.

**PREKINDER
Story Time**

- Join us to meet new friends, get to know our campus, and learn Kindergarten readiness skills!
- Story Time is open to students eligible to enroll in Kindergarten in Fall 2026. (Must be turning 5 by 9/1/2026)

Elgin Elementary School

Wednesdays at Elgin School
8:00 AM - Flag Ceremony, Gym
8:10-8:45 AM - Story Time & Activities, Room 14

Childfind Screenings

If you have concerns about your child's development from ages 3 to 21 years of age in these areas:

**VISION/HEARING * SPEECH/LANGUAGE * THINKING SKILLS
PHYSICAL DEVELOPMENT * BEHAVIOR *
NORMAL DEVELOPMENT**

Your school's CHILDFIND can help – with a free screening, and if needed, referral for diagnostic evaluation and/or early intervention programs (birth to three). If you have any concerns about your child's development, certain benefits are available through your local school district.

Screenings are available **by appointment**. To schedule your appointment or for more information please contact:
Christine Clouse- Student Services
455-5514 cclouse@elgink12.com

Preventing Bug Bites

Summer is winding down, the humidity is up, and our rains still are few and far between. With this weather, bug season is upon us. We have been having students coming in complaining of bug bites, both on campus, as well as from home.

We wanted to share some information with you. Students have been coming in to the nurse's office, as well as their classrooms complaining of bugs biting them outside while on the playground and other outside areas. Some of the bugs seen are mosquitos, some type of very small black round beetle, and some type of outdoor bug appearing to be flea-like. They have all been from exposure outside. There is no concern for an indoor infestation, or bugs being brought in from homes or uncleanness of any type. Elgin School has routine pest service and daily cleaning. All of the classrooms and other areas have been inspected and are clear of any contagious bugs. Unfortunately, there are bugs outside which is beyond the control of the school.

Here are some tips to help keep your children more comfortable and healthier during this bug season:

- Wear shoes, long socks, pants, and shirts, preferably light in color.
 - If preferred, apply a bug deterrent of your choice to skin before attending school. Do not send these types of sprays or lotions to school with your child. They are considered medication and can possibly cause allergic reactions for other students.
 - Talk with your child about refraining from rolling around in the grass, dirt, gravel, and wood chip substrates.
 - Consider alternatives to playing on grassy fields. There are two large shaded areas on the playgrounds where you child can sit or stand in the shade and talk, read, or play games.
 - Remove clothes and shower before bed every night. Launder clothing every day, if possible, to help prevent bugs from entering the home.
 - If bitten, refrain from scratching the bites to help prevent secondary infections.
 - Apply anti-irritation lotions or ointments, such as calamine lotion, Benadryl type creams, etc. for itching. Epsom salt warm baths or oatmeal baths can help relieve itching.
- Naturopathic oils can help with both being a bug repellent, as well as act as a skin irritation reliever. Search the internet for what works for your family.

- Websites you can go to for more information are:
 - <https://www.cdc.gov/yellow-book/hcp/environmental-hazards-risks/mosquitoes-ticks-and-other-arthropods.html>
 - <https://www.mayoclinic.org/first-aid/first-aid-insect-bites/basics/art-20056593>
 - <https://www.cdc.gov/early-care/communication-resources/outdoor-play-and-safety-for-children-in-ece.html>
 - https://azpoison.com/sites/default/files/u116/bites_stings_broch_v4.pdf

If you have any further concerns or questions, please do not hesitate to contact Principal Erickson or Nurse Prentice at the school.

- Agritopia Farms, Gilbert, AZ
 - via Sun Produce
- Arevalos Farm, McNeal, AZ
 - via Pivot Produce
- Blooming Reed Farms, Paulden, AZ
 - via Sun Produce
 - via Pivot Produce

Connect with Local Producers!
[SCHOOL INTEREST FORM](#)

ARIZONA HARVEST FACTS!

- Canary melons are named for their bright, canary-yellow skin which resembles the color of a canary bird.
- The flesh of the canary melon is pale ivory or light green and is known for its mildly sweet, tangy, and refreshing flavor, similar to cantaloupe.
- Canary melons are a good source of vitamins A and C, which are important for maintaining healthy skin and boosting the immune system. They also provide dietary fiber, which aids in digestion.
- With over 90% water content, canary melons are a fantastic way to stay hydrated, especially during the hot summer months.
- When selecting a canary melon, look for one that is vibrant in color and feels heavy. A ripe canary melon will have a slight give when gently pressed at the blossom end.
- To test the ripeness of a canary melon, give it a light tap. A ripe melon will produce a deep, hollow sound, indicating that it is juicy and ready to eat.

LOCAL RECIPE:

SUMMER MELON SALAD

Serving size: ½ cup, Yield 16 servings
NSLP/SBP Crediting Information: ½ cup Fruit

Summer Melon Salad is a zesty, sweet and refreshing salad. It features canary and cantaloupe melons, fresh mint, and lemon juice.

- 4 cups diced Cantaloupe melon
- 4 cups diced Canary melon
- 1 Lemon
- Mint leaves, finely chopped

To ensure food safety with melons always thoroughly wash them under running water before cutting and eating.

QUICK MATH:

CANARY (YELLOW) MELONS

1 pound whole, fresh melon yields approximately **1 cup** of cubed, ready to eat melon
